

“ Dry As a Bone ”<sup>TM</sup>

# DECO TIE PATCH

DECO PRODUCTS, INC.

---

## DESCRIPTION

DECO TIE PATCH was designed for the prevention of water intrusion from the form ties that were removed and/or broken off to meet the ICC requirements which states: “any holes and recesses resulting from the removal of form ties shall be sealed with a bituminous material or other approved methods or materials”.

---

## USE

**New construction:** Seals poured concrete wall ties below grade from the potential risk of water intrusion

---

## B E N E F I T S
